

School Rules & Regulations

- All students must demonstrate the proper respect and courtesy for their instructors and fellow students at all times.
- All students must take pride in their personal hygiene and appearance. Uniforms must be clean and neat, nails keep short, and remove all jewelry, hair clips, pins, candy and other harmful items.
- All students must bow before entering or leaving the training area; shoes may not be worn on the training floor.
- Students must refer to the head instructor as Sensei and other instructors and black belts as Mr./Ms., at all times, in or out of the school.
- Students should greet Instructors with a bow and be sure to stand and bow each time an Instructor enters or leaves the training floor (not to be done in the middle of a class in progress).
- Students must have permission to enter or exit a class already in progress, from the person in charge.
- Students must wait until the end of a current exercise to adjust an untidy uniform or belt, then turn to the rear and adjust it quickly.
- Students are expected to promote and support the school to the best of their ability, participating enthusiastically in all classes and activities.
- Students must assist in keeping the school clean and neat at all times. Have pride in your school's appearance.
- Free sparring, throwing and wrestling are not allowed without supervision from an instructor or direct classroom instruction.
- All contact in free sparring must be controlled so as not to injure your partner. Absolutely no contact is allowed to the head or groin area.
- No student may instruct directly or indirectly to any member or non-member of our school without the expressed written permission from the director.
- No student may participate in tournaments, demonstrations, seminars or classes at other schools without the prior approval of the Sensei at World Class Karate.
- Students must keep all fees paid to date to participate in classes and activities, including; tuition, annual membership fees, exam fees and other fees due and owing.
- Additional Rules may be added as needed by the director of World Class Karate as he sees fit.
